Every question must be answered fully, truthfully and accurately. If space is insufficient for your answer, please use additional sheets, sign and date each one and attach them to this document.

If you do not understand or if you have any questions regarding any matter in this document, including the Important Notices, please contact us or your insurance broker before signing the Declaration at the end of this document.

Unless we have confirmed in writing that temporary cover has been arranged, no insurance is in force until the risk proposed has been accepted in writing by us and you have paid or agreed to pay the premium.

YOUR DUTY OF DISCLOSURE

This Policy is subject to the Insurance Contracts Act 1984 (Act). Under that Act You have a Duty of Disclosure.

Before You take out insurance with Us, You have a duty to tell Us of everything that You know, or could reasonably be expected to know, may affect Our decision to insure You and on what terms. If You are not sure whether something is relevant You should inform Us anyway.

You have the same duty to inform Us of those matters before You renew, extend, vary, or reinstate Your contract of insurance. The duty applies until the Policy is entered into, or where relevant, renewed, extended, varied or reinstated (Relevant Time).

If anything changes between when the answers are provided to Us or disclosures are made and the Relevant Time, You need to tell Us.

Your duty however does not require disclosure of matters that:

- reduce the risk;
- are common knowledge;
- We know or, in the ordinary course of Our business, ought to know; or
- We have indicated We do not want to know.

If You do not comply with Your duty of disclosure, We may be entitled to:

- reduce Our liability for any claim;
- cancel the contract;
- refuse to pay the claim; or
- avoid the contract from its beginning, if Your non-disclosure was fraudulent.

CLAIMS MADE POLICY

This proposal is for a Claims Made Policy. This means that the policy only responds to:

- Claims first made against you and notified to the Insurer during the policy period arising from events after any retroactive date on the policy, and
- Events of which you first become aware during the policy period that could give rise to a future claim provided that you notify the Insurer during the policy period of the circumstances of such events and they arose after any retroactive date on the policy.

When the policy expires, no claims can be made on the policy even though the event giving rise to the claim may have occurred during the policy period.
